Disability Law

Kim Marshall

Disability Law Kim Marshall

This book provides an extensive examination of the law as it is applied to disabled persons. The law is analysed by looking at a variety of statutes and how they affect the disabled. Although the focus is mainly on the impact of the Disability Discrimination Act, the book is not confined to just that Act. This text encompasses all the legislation relevant to disability in whatever sphere.

Disability Law explains how the law is being applied and what implications the legislation has for the future. This is done not just in terms of employment rights under the Disability Discrimination Act, but also access to goods, facilities and services that able-bodied people take for granted. Additionally, housing, education, welfare, leisure and public transport are covered.

As it is a new area of law, there is not a substantial body of decided case law at present. The approach that is taken is to explain the statutory provisions in terms of parliamentary intention, explanatory regulations and guidance and then to look at the application of the law to cases. Suggestions for further reading is offered at the end of each chapter. This method has been chosen to give the reader a thorough grounding in the statute before moving on to consider the case law because of the complex nature of the legislation and the guidance. Disability discrimination needs to be understood before it is applied, as much law from the employment tribunals has shown!

The book includes the text of the Disability Discrimination Act, as amended, the Code of Practice, the Regulations and the Guidance on the Act.

From reader reviews:

David Hyman:

Here thing why this Disability Law are different and dependable to be yours. First of all looking at a book is good but it really depends in the content than it which is the content is as delightful as food or not. Disability Law giving you information deeper and in different ways, you can find any publication out there but there is no guide that similar with Disability Law. It gives you thrill reading journey, its open up your eyes about the thing that happened in the world which is probably can be happened around you. You can bring everywhere like in area, café, or even in your way home by train. In case you are having difficulties in bringing the paper book maybe the form of Disability Law in e-book can be your alternative.

Carl Vincent:

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider when those information which is in the former life are challenging to be find than now could be taking seriously which one would work to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Disability Law as your daily resource information.

Kate Vasquez:

This Disability Law is completely new way for you who has interest to look for some information since it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know or perhaps you who still having bit of digest in reading this Disability Law can be the light food in your case because the information inside this kind of book is easy to get by anyone. These books create itself in the form that is reachable by anyone, yeah I mean in the e-book contact form. People who think that in book form make them feel tired even dizzy this book is the answer. So there is absolutely no in reading a reserve especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss this! Just read this e-book style for your better life and knowledge.

Robert Howard:

A lot of reserve has printed but it is unique. You can get it by internet on social media. You can choose the most effective book for you, science, comic, novel, or whatever by simply searching from it. It is named of book Disability Law. You can add your knowledge by it. Without making the printed book, it could add your knowledge and make you actually happier to read. It is most important that, you must aware about book. It can bring you from one place to other place.
