Many people struggle with basic questions about the Christian faith: Does God exist? Can I believe the Bible? What about divine sovereignty and human responsibility? Do real Christians experience struggles like these?

*Keep Going* offers practical help to Christians wrestling with these questions. The book begins by recognizing that doubt is a normal part of Christian experience and that Christians often silently struggle with the basic elements of their faith. Neil Martin then goes on to provide solid answers to these questions, providing strugglers with biblical encouragement that, when considered prayerfully and thoughtfully, will help them to "keep going" in their Christian walk.
