Levítico (Portuguese Edition) Silvio Dutra

Tão importante é o sacrifício de Jesus para a nossa redenção e justificação que o Livro de Levítico é aberto e narra nos seus primeiros capítulos os diversos tipos de sacrifícios e ofertas que tipificavam aquele único sacrifício pelo qual o nosso pecado pode ser expiado e estabelecida a nossa comunhão e paz com Deus. O Livro apresenta também a regulamentação das leis gerais que são constantes do livro de Êxodo, além de acrescentar outras leis civis, morais e cerimoniais para serem guardadas pelo povo de Israel até que o Messias se manifestasse dando pleno cumprimento à Lei. Assim, as leis cerimoniais e civis da Lei não são obrigatórias para serem cumpridos no culto da Nova Aliança que foi celebrada com base no sangue de Jesus. Todavia, a Lei moral e espiritual permanece como necessária para a santificação do povo de Deus. Nosso comentário do livro de Levítico é bastante profundo e abrange todas as passagens do referido livro.

From reader reviews:

William Vogt:

This book untitled Levítico (Portuguese Edition) to be one of several books that best seller in this year, honestly, that is because when you read this reserve you can get a lot of benefit in it. You will easily to buy this book in the book retail outlet or you can order it by way of online. The publisher of this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Smart phone. So there is no reason to your account to past this book from your list.

Patricia Jones:

The book Levítico (Portuguese Edition) will bring someone to the new experience of reading some sort of book. The author style to describe the idea is very unique. If you try to find new book to learn, this book very appropriate to you. The book Levítico (Portuguese Edition) is much recommended to you to read. You can also get the e-book through the official web site, so you can more readily to read the book.

Denise Wallis:

Reading a book for being new life style in this 12 months; every people loves to study a book. When you go through a book you can get a large amount of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, in addition to soon. The Levítico (Portuguese Edition) will give you new experience in examining a book.

Kellie Stephens:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Levítico (Portuguese Edition) can make you feel more interested to read.
