## **Lord, Teach Us to Pray: Sermons on Prayer (Classic Reprint)** Alexander Whyte

Preface to anticipate the biography of Dr. Whyte, now being prepared by Dr. G. Freeland Barbour, or to provide a considered estimate of the great preachers work as a whole. But it may be well briefly to explain the appearance of the present volume, and to take it, so far as it goes, as a mirror of the man. The desire has been expressed in various quarters that this sequence of sermons on prayer should appear by itself. Possibly it may be followed at a later date by a representative volume of discourses, taken from different points in Dr. Whyte's long ministry. It is a curious fact that he who was by general consent the greatest Scottish preacher of his day published during his lifetime no volume of Sunday morning sermons, though his successive series of character studies, given as evening lectures, were numerous and widely known. At the close of the winter season, 1894-95, Dr. Whyte had brought to a conclusion a lengthy series of pulpit studies in the teaching of our Lord.
