Gottfried Benn

Primal Vision: Selected Prose & Poetry Gottfried Benn

These selected writings of Gottfried Benn or "primal visions" of the 1920s anticipated in certain ways the positions of such writers today as Beckett and Genet, the French "antinovelists" and the American "Beats."

Gottfried Benn (1886-1957) occupies a position in modern German literature often compared to that of T. S. Eliot and Ezra Pound in English. This volume presents a comprehensive anthology of the author's finest work-poetry (with the German originals en face), short stories, a scene from one of his plays, essays and autobiographical writings, including a unique insight into the German intellectual metamorphosis before, under and after Hitler. And in a long introduction, the editor, E. B. Ashton, places Benn in the perspective of recent German history and gives an account of his life—a dramatic and moving story in its own right. By profession a physician, Benn was fascinated by the philosophical aspects of many branches of science, and over the years he wrote a number of extraordinary essays in which the poet's intuitive vision was accorded the utmost imaginative freedom.

Do you at times have book but you would not get what it's exactly about. Oh come on, that will not happen if you have this in the hand. The Enjoyable option here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss it? Find this book and read it from now!

William Pettigrew:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Primal Vision: Selected Prose & Poetry can make you feel more interested to read.
