Un'economia più umana (Italian Edition) Gabriele Sannino

Il saggio rappresenta un piccolo breviario che può essere davvero utile in una crisi economica infinita come quella attuale, crisi che in realtà è anche psicologica, etica, morale e, perché no, umana. Si perché la crisi che viviamo – insieme a tutte quelle che l'hanno preceduta – è frutto della gestione privata e sconsiderata del denaro, dei trucchi della finanza, insomma dell'avidità di pochi che si istituzionalizza e divora le vite di molti, troppi oggi. L'economia, dunque, non è altro che psicologia collettiva percepita. Ancora una volta, se vogliamo cambiare sul serio la realtà intorno a noi dobbiamo cambiare prima ciò che abbiamo dentro. Ecco perché all'economia deve essere applicata non solo l'etica ma finanche la spiritualità: un mondo più felice è davvero possibile, basta cambiare una volta e per tutte il nostro modo di pensare individuale e alla fine collettivo.

From reader reviews:

Jerry Gunnell:

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is inside the former life are hard to be find than now's taking seriously which one works to believe or which one typically the resource are convinced. If you have the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Un'economia più umana (Italian Edition) as the daily resource information.

Jason Harden:

People live in this new morning of lifestyle always attempt to and must have the free time or they will get lot of stress from both daily life and work. So , once we ask do people have time, we will say absolutely indeed. People is human not really a huge robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to an individual of course your answer will probably unlimited right. Then do you try this one, reading publications. It can be your alternative within spending your spare time, the particular book you have read is usually Un'economia più umana (Italian Edition).

Dolores Young:
