De Niro: A Life Shawn Levy

There's little debate that Robert De Niro is one of the greatest, if not the greatest, screen actors of his generation, perhaps of all time. His work, particularly in the first 20 years of his career, is unparalleled. *Mean Streets*, the *Godfather Part II*, *Taxi Driver*, the *Deer Hunter*, and *Raging Bull* all dazzled moviegoers and critics alike, displaying a talent the likes of which had rarely - if ever - been seen. De Niro became known for his deep involvement in his characters, assuming that role completely into his own life, resulting in extraordinary, chameleonic performances.

Yet little is known about the off-screen De Niro - he is an intensely private man, whose rare public appearances are often marked by inarticulateness and palpable awkwardness. It can be almost painful to watch at times, in powerful contrast to his confident movie personae.

In this elegant and compelling biography, best-selling writer Shawn Levy writes of these many De Niros - the characters and the man - seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature, and who now seemingly avoids acting challenges, taking roles which make few apparent demands on his overwhelming talent.

Levy has had unprecedented access to De Niro's personal research and production materials, creating a new impression of the effort that went into the actor's legendary performances. Levy also spoke to De Niro's collaborators and friends to depict De Niro's transition from an ambitious young man to a transfixing and enigmatic artist and cultural figure.
