Finance genius Meredith Klaus prefers numbers to people, especially around the holidays. At least the large sum of money that's mysteriously vanished from the company accounts will distract her from the ghosts of Christmases past. Until her sexy boss asks her to be his last-minute date to a fundraiser gala, that is, and the promise of a special evening calls to something long-buried in her.

Andrew Stanton, Manhattan's best-known philanthropist, has worked hard building his reputation in the industry. He offers to work closely with Meredith to fix his company's financial crisis, but the more time they spend together, the harder it becomes to look at her as just a colleague.

A beautiful dress. A handsome man on her arm. A challenge she can't refuse. Can they find the missing money and fulfill their holiday wishes, or will Meredith be unable to overcome the demons of her past and lose her chance at happiness?
