**Flesh to Flesh** Lee Hayes

**From award-winning author Lee Hayes -- an erotic exploration into the lives of African-American gay men and their desires for love and acceptance.**

Unapologetically raw in its approach to the sexual lives and happenings of African-American gay men, *Flesh to Flesh* is a gritty, pulsing view into a demographic that is often demonized and condemned. These stories provide a rare, true revelation of how gay men are faring in an age where sensuality is a major factor in everyday media and consciousness.

What do gay men feel about life, love, relationships, and intimacy? For anyone who has wondered about the passion between two men, this explosive, sexually charged anthology peels back the layers to show what lies beneath modern stereotypes and homophobia.

With contributors such as Lee Hayes (*Passion Marks*, *A Deeper Blue* and *The Messiah*), L.M. Ross (*Manhood* and *The Long Blue Moan*), and Dayne Avery (*I Wrote This Song*), the stories in *Flesh to Flesh* reveal deep emotions and a powerful commitment to life and love.

#### **Peter Landon:**

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Flesh to Flesh can make you sense more interested to read.
