**Franklin in the Dark (25th Anniversary Edition) (Classic Franklin Stories)** Paulette Bourgeois

In the Franklin Classic Storybook that started it all, poor little Franklin has one of the most common childhood afflictions—he is afraid of the dark. This is particularly difficult for Franklin as he happens to be a turtle, and the darkness he fears is, of course, inside his own shell. Bravely, with shell in tow, he sets forth to seek help and in the course of his travels discovers a bird who is afraid of heights, a polar bear who is afraid of the cold, and even a hydrophobic duck. In the end, Franklin discovers that everybody, even his own mother, is afraid of something, and his response to what he has learned is guaranteed to draw a smile.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
