Io, mamma e papà (Italian Edition)

Gessica De Cesare

Io, mamma e papà (Italian Edition) Gessica De Cesare

L'idea di questo lavoro nasce dall'esperienza di supporto psicologico dato ai genitori di bambini ricoverati nel reparto di Pediatria Oncologica del Policlinico universitario "Umberto I" di Roma. Dal momento che non è previsto un servizio di supporto psicologico, ed avendone invece constatato la necessità, si è cercato di impostare un piano di intervento che potesse garantire al bambino la migliore qualità di vita possibile, considerando sia le sue condizioni cliniche che il contesto di cura, ed ai genitori la possibilità di essere ascoltati e contenuti per tutto il periodo di degenza del bambino che, in alcuni casi, può durare anche diversi anni.

In questa opera è rappresentata una parte del lavoro citato, quella relativa ad indagare se la diagnosi di una patologia organica grave di un figlio possa avere delle ripercussioni sui patterns relazionali dell'attaccamento dei genitori nei confronti del figlio malato e sui patterns relazionali dell'attaccamento di coppia.

Nel primo capitolo sono sintetizzati i principali riferimenti teorici: Bowlby e la teoria dell'Attaccamento, Crittenden ed il Modello dinamico-maturativo, il costrutto dell'Alessitimia.

Nel secondo capitolo è presentata la metodologia della ricerca.

I quesiti della ricerca, in particolare, sono i seguenti:

la malattia del figlio può cambiare i patterns relazionali dell'attaccamento genitoriale e di coppia?

la malattia del figlio può incrementare i livelli di alessitimia dei genitori?

Tutto questo e molto altro ancora nell'ultimo ebook di Gessica De Cesare
