Now in its third edition, *Living Justice* is an ideal introduction to Catholic social teaching. Thomas Massaro introduces readers to the history and basics of Catholic social teaching while highlighting new developments and helping readers understand how to apply this teaching to life today.

Living Justice leads readers step-by-step through the building blocks of Catholic social thought, including its central themes, sources, and methods. Along the way readers encounter great heroes of social change and prophets of peace and justice. The third edition features significant updates throughout, including extensive coverage of Pope Francis and his two major social teaching documents: *Evangelii Gaudium* on gospel-grounded justice and *Laudato Si'* on the environment. It also looks at the Pope's contributions to peace and justice efforts around the world, including his advocacy for diplomacy, simplicity of lifestyle, and healthy family life. The third edition includes two new case studies in the dynamics of globalization—the global migration crisis and the scourge of human trafficking. It also contains expanded sections on globalization, the environment, and issues of peace and war.

With its accessible and reader-friendly style, the third edition of *Living Justice* includes new discussion questions, revised topics for further study, and an updated list of resources that make the book an excellent resource for students or parishes.
