John Hawkes

The Beetle Leg: A Novel John Hawkes

After years of underground existence, this brilliant novel is emerging as a classic of visionary writing and still remains Hawkes's only work devoted solely to American life.

The Beetle Leg, John Hawkes's second full-length novel, was first published by New Directions in 1951. After years of underground existence, this brilliant novel is emerging as a classic of visionary writing and still remains Hawkes's only work devoted solely to American life. As a 'surrealist Western' (*Newsweek*), and a violent and poetic portrayal of "a landscape of sexual apathy" (Albert J. Guerard), *The Beetle Leg* is a rich flight into the special vein of comedy that Hawkes had begun to exploit a decade before the popular acceptance of "black humor."
