"Fellow worship leaders . . . God calls us to a supreme walk of faith and intentionality. May this much-needed book serve as your ready guide for a most exciting journey."

Sally Morgenthaler, author of *Worship Evangelism*

"The term 'worship leader' describes a new way of conceiving of worship ministry leadership. Kevin's book explores this new approach in a helpful way by pointing to the foundational issues at stake for anyone in a worship role--as a volunteer, or part-time or full-time staff."

Robb Redman, contributing editor, *Worship Leader*

The Complete Worship Leader provides a holistic, biblical view of worship leading as drawing people into God's presence through the use of all the senses in worship, not just through song leading. It addresses four basic elements crucial to becoming an effective worship leader: theology, discipleship, artistry, and leadership. This book also considers the dynamics of building and leading a worship team and the place of technology in today's worship.

Whether you are a pastor, music director, or worship leader, you will benefit from this simple yet thorough discussion on what it means to lead the body of Christ into a genuine experience of worship.
