## **Woodbine Willie: An Unsung Hero of World War One** Bob Holman

Woodbine Willie was the affectionate nickname of the Reverend Geoffrey Studdert Kennedy, an Anglican priest who volunteered as a chaplain on the Western Front during the First World War. He won the Military Cross for his reckless courage, running into No Man's Land to help the wounded. This superb biography is based on original interviews with those who knew and loved him. A deep and real concern for his fellow men drove him relentlessly, and this book shows how vital was the role he played, on the battlefields of the trenches and then the slums.
