Natural Light Photography: (CANCELLED) Andrew Gibson

This comprehensive book is a complete guide to natural light portraiture, the style of choice for many emerging photographers. Andrew covers a wide gamut of topics, from lens choices and camera settings, through working with models and poses, to skills like post-processing. The practical information is interspersed with inspirational interviews with big-name natural light photographers like Tori Mercedes & Lara Jade.

If you want to photograph people, this book is the place to start, since you'll need nothing more than the book, your camera, and a subject. Better still, when the sun has set for the night, you'll still have the inspirational work of some of the great potratists of our century.
