Nyctophobia Christopher Fowler

An original thriller from bestselling author Christopher Fowler that reinventing the haunted house story.

Newly-married architect Callie and her wealthy husband Mateo move to Hyperion House, a grand old home in southern Spain. It's an eccentric place built in front of a cliff: serene and beautiful, but eerily symmetrical, and cunningly styled so that half the house is flooded with light, and half – locked up and neglected – is shrouded in darkness. Unemployed and feeling isolated in a foreign country, Callie determines to research the history of the curious building.

But the past is sometimes best left alone. Uncovering the folklore of the house's strange history, Callie is drawn into darkness and delusion. As a teenager Callie was afraid of the dark, and now with her adolescent nyctophobia returning she becomes convinced there's someone in the darkened rooms. Somewhere in the darkness lies the truth about Hyperion House.

But some doors should never be opened.
