### **In Their Footsteps**

The quiet scandal surrounding her parents' deaths has always haunted Beryl Tavistock. Now she's asking dangerous questions and the answers are proving that the past does not die easily. Pulled into a world of espionage, Beryl quickly discovers that she needs help, and former CIA agent Richard Wolf is her only hope. But in a world where trust is a double-edged sword, friends become enemies and enemies are killers....

### **Thief of Hearts**

Reformed cat burglar Clea Rice has witnessed enough crimes to put her on the straight and narrow. But little does she suspect that her search for justice will land her in the arms of wealthy English gentleman Jordan Tavistock. As their attraction grows, so does the danger. Now their biggest concern isn't whether a proper gentleman and a cat burglar can find happiness...it's whether they'll survive long enough to find out.
