Using original empirical data and critiquing existing research, Samia Bano explores the experience of British Muslim woman who use Shari'ah councils to resolve marital disputes. She challenges the language of community rights and claims for legal autonomy in matters of family law showing how law and community can empower as well as restrict women.

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit
