Sam Sanderson is an independent, resourceful, high-tech cheerleader. She dreams of becoming an award-winning journalist like her mother, and so she's always looking for articles she can publish in her middle-school paper (where she secretly hopes to become editor). And with a police officer for a father, Sam is in no short supply for writing material.

### **It seemed like the perfect opportunity.**

When an explosive device is found in the local theater, Sam gets the lead on this developing and controversial story—controversial because the movie theater has recently come under attack by a renowned, outspoken atheist for allowing a local church to show Christian movies. Sam's police-officer father happens to be heading the investigation, and Sam can't resist doing some sleuthing of her own with the help of her best friend Makayla's techno-genius. But when Sam's theories end up being printed in the school paper, she lands in big trouble—and danger!
