The World is Our Parish: John King Gordon, 1900-1989: An Intellectual Biography Keith Fleming

One of Canada's most outspoken and respected advocates of internationalism during the early Cold War, John King Gordon had a remarkably eclectic professional life. Keith R. Fleming's biography of Gordon explores the man's many careers, from his start as a Manitoba clergyman in the 1920s to his work as a United Nations field officer in Korea, the Middle East, and the Congo.

In "*The World Is Our Parish*," Fleming traces how Gordon's passion for social reform and humanitarianism led him to become a clergyman, a political activist, a journalist, a professor, and one of Canada's leading advocates of liberal internationalism in the years after World War Two. An exceptional biography of an extraordinary but little-known Canadian, "*The World Is Our Parish*" uses Gordon's professional and intellectual journey to reveal the confluence of liberal Christianity, social democracy, and internationalism in Canadian politics and thought.
