La Llamada de Chtulhu (Spanish Edition) H. P. Lovecraft

(Texto completo con índice activo)

La llamada de Cthulhu (The Call of Cthulhu en inglés) es un relato corto en estructura de novelette escrito por H. P. Lovecraft en el año 1926. La obra fue publicada por primera vez en febrero de 1928 por la editorial de pulp Weird Tales. Cthulhu hace su primera aparición en este relato, convirtiéndose en una figura central del ciclo literario de los Mitos de Cthulhu.

La historia está compuesta por dos narrativas principales vinculadas por una tercera, la voz del «autor». Solo el autor es capaz de interpretar correctamente lo sucedido y es consciente de la importancia de la información que tiene en su poder, y va narrándolo siguiendo el orden en que él mismo fue descubriendo la verdad. Comienza con la muerte de un eminente profesor de la Universidad de Miskatonic y el estudio de los documentos con los que estaba trabajando. Estos incluyen un informe sobre un ataque perpetrado por una secta. Una investigación sobre los miembros de la secta saca a la luz algunas pistas sobre la horrorosa criatura que veneran, Cthulhu. Este ser, que supuestamente llegó con sus seguidores extraterrestres desde las estrellas millones de años antes de la aparición del Hombre, ahora descansa en un sueño profundo en su ciudad sumergida, R'lyeh.

La segunda parte de la historia empieza con el cuaderno de bitácora del primer oficial de un barco que descubre la ciudad hundida, pues esta ha emergido a la superficie en el Océano Pacífico. La ciudad emergió porque «las estrellas eran propicias» y el tiempo para el despertar de Cthulhu y sus engendros había llegado.
