Tigers & Devils

Sean Kennedy

Tigers & Devils Sean Kennedy

2nd Edition

The most important things in Simon Murray's life are football, friends, and film-in that order. His friends despair of him ever meeting someone, but despite his loneliness, Simon is cautious about looking for more. Then his best friends drag him to a party, where he barges into a football conversation and ends up defending the honour of star forward Declan Tyler-unaware that the athlete is present. In that first awkward meeting, neither man has any idea they will change each other's lives forever.

Like his entire family, Simon revels in living in Melbourne, the home of Australian Rules football and mecca for serious fans. There, players are treated like gods-until they do something to fall out of public favour. This year, the public is taking Declan to task for suffering injuries outside his control, so Simon's support is a bright spot.

But as Simon and Declan fumble toward a relationship, keeping Declan's homosexuality a secret from well-meaning friends and an increasingly suspicious media becomes difficult. Nothing can stay hidden forever. Soon Declan will have to choose between the career he loves and the man he wants, and Simon has never been known to make things easy-for himself or for others.

From reader reviews:

Joseph Wood:

Book is to be different for each and every grade. Book for children till adult are different content. As you may know that book is very important normally. The book Tigers & Devils had been making you to know about other information and of course you can take more information. It is rather advantages for you. The publication Tigers & Devils is not only giving you considerably more new information but also to get your friend when you experience bored. You can spend your current spend time to read your guide. Try to make relationship with all the book Tigers & Devils. You never truly feel lose out for everything if you read some books.

Donald Bonilla:

Precisely why? Because this Tigers & Devils is an unordinary book that the inside of the book waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book beside it was fantastic author who have write the book in such wonderful way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of benefits than the other book possess such as help improving your expertise and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Sharon Keller:

On this era which is the greater man or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple solution to have that. What you are related is just spending your time not very much but quite enough to have a look at some books. One of the books in the top collection in your reading list is Tigers & Devils. This book that is certainly qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking way up and review this reserve you can get many advantages.

Stephen Phelps:

A lot of book has printed but it differs. You can get it by world wide web on social media. You can choose the very best book for you, science, comedy, novel, or whatever by simply searching from it. It is known as of book Tigers & Devils. You can add your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make an individual happier to read. It is most essential that, you must aware about book. It can bring you from one place to other place.
