### Trees #9 Warren Ellis

Beginning the second TREES story, "Two Forests." The Orkney Tree, set among the standing stones of that remote island, seems almost like it was always meant to be there. But, following the events in Svalbard, it could be nothing but a vast unexploded bomb. Across the Atlantic, there is a new mayor in New York City, who grew up under the shadow of the Manhattan Tree. And he might be the bigger threat.

#### **Freddie Straughter:**

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Trees #9 can make you truly feel more interested to read.
