A estrela que nunca vai se apagar (Portuguese Edition)

Esther Earl, Wayne Earl

A estrela que nunca vai se apagar (Portuguese Edition) Esther Earl, Wayne Earl

Diagnosticada com câncer da tireoide aos doze anos, Esther Grace Earl era uma adolescente talentosa e cheia de vida. Fazendo jus ao nome, que em persa significa “estrela”, ela marcou todos em seu caminho com sua generosidade, esperança e altruísmo enquanto enfrentava com graciosidade o desgaste físico e mental causado pela doença. Filha, irmã e amiga divertida, alto-astral e inspiradora, Esther faleceu em 2010, logo após completar dezesseis anos, mas não sem antes servir de inspiração para milhares de pessoas por meio de seu vlog e dos diversos grupos on-line de que fazia parte.

A estrela que nunca vai se apagar é uma biografia única, que reúne trechos de diários, textos de ficção, cartas e desenhos de Esther. Fotografias e relatos da família e de amigos ajudam a contar a história dessa menina inteligente, astuta e encantadora cujos carisma e força inspiraram o aclamado autor John Green a dedicar a ela sua obra best-seller *A culpa é das estrelas*.

O livro de John Green, *A culpa é das estrelas* já vendeu mais de meio milhão de exemplares no Brasil e está em primeiro lugar nas listas de mais vendidos.

Os pais de Esther criaram a fundação sem fins lucrativos *This Star Won't Go Out* (também título do livro em inglês), que atua ativamente nos Estados Unidos desde 2011 com o objetivo de ajudar crianças com câncer e suas famílias.

“Apenas seja feliz,e, se você não conseguir ficar feliz, faça coisas que o deixem feliz. Ou fique sem fazer nada com as pessoas que o fazem feliz.” - **ESTHER EARL**

Best-seller da Veja
