## **Getting Started in Chart Patterns (Getting Started In.....) Thomas N. Bulkowski** **Your plain-English guide to understanding and using technical chart patterns**

Chart pattern analysis is not only one of the most important investing tools, but also one of the most popular. Filled with expert insights and practical advice from one of the best in the business, *Getting Started in Chart Patterns, Second Edition* helps new and seasoned traders alike profit by tracking and identifying specific chart patterns.

Substantially revised and expanded, this new edition stay true to the original, with author Thomas Bulkowski's frank discussion of how trading behavior can affect the bottom line. Interwoven throughout the technical presentations are fascinating anecdotes drawn from the author's quarter-century as a professional trader that vividly demonstrate how one of the best in the business leverages the power of chart patterns.

- Includes additional charts for ETFs and mutual funds
- Introduces more than 40 key chart formations, as well as trading tactics that can be used in conjunction with them
- Supplies actual trades, with their corresponding dollar amounts

If you're looking to gain a better understanding of this discipline, look no further than the *Second Edition* of *Getting Started in Chart Patterns*.
