A flabbergastifying adventure under the stars!

The characters are delightful and the nighttime landscape is captivating. It was just as I expected—because the best stories always take place in the dark!—**R.L. Stine**, author of *Goosebumps*

The Nocturnals features three unlikely friends: Dawn, a serious fox, Tobin, a sweet pangolin and Bismark, the loud mouthed, pint sized sugar glider. The stories all play out in their nighttime world with teamwork, friendship and humor in every adventure.

In The Mysterious Abductions, the animals form a brigade of the night after a random encounter with a blood-thirsty snake, and just in time because something is threatening their night realm. Animals are disappearing without a trace. Together with the help of a wombat, a band of coyotes and many others, Dawn, Tobin and Bismark journey to the depths of the earth in a wacky, high stakes game that will determine all of their survival.
