Student loans, tuition fees, and accommodation costs have all made the fear of debt a major consideration for students. "The UCAS Guide to Student Finance", published in association with UCAS, offers straightforward guidance and advice to students facing the prospect of managing their finances for the first time. Reliable and Informative, this readable guide will cover all areas affecting student finance. It will not only help students to plan their money for the years of study but provide advice on what to do should they get into debt. Sources of additional funding, guidance on the types of paid employment available, the balance between work and study, and graduate career choices all have a part to play in helping students tackle their concerns about debt in a practical and measured way. "The UCAS Guide to Student Finance" will help them to do just that.
