George Allen

What Washington Can Learn From the World of Sports George Allen

Politics and sports: they're two of America's greatest passions. And George Allen—former U.S. Senator, former Virginia Governor, and son of the great NFL coach George Allen, Sr.—brings these two worlds together in his new book, *The Triumph of Character: What Washington Can Learn From the Principles of Sports*. Having spent his life with one foot in the sports arena and the other in the political arena, Allen brings his unique perspective and experiences to *The Triumph of Character*. Through personal stories, anecdotes, and interviews, Allen draws both parallels and contrasts between two of our nation's favorite passions. From national security, to wasteful government spending, to judicial activism, Allen proves that our government need look no further than the football field, baseball diamond, or basketball court to solve today's pressing problems. Timed to launch just before Father's Day, *The Triumph of Character* shows what Washington can learn from the greatest moments—and failures—in sports, as well as from the spirit and principles of fair play, hard work, and keeping score.
