It shows you a multitude of ways to do the five key stages: Idea, Gather, Organize, Draft, and Revise. You can then design your own collection of techniques that work for you. You'll write clearer, faster, and more powerfully, with less effort and suffering.

The second half of this book shows you how to create and modify your own voice, one that sounds like the real you, that sounds the way you want agents and publishers and readers to experience you.
