Dead Girl in the Bed (A Short Story) *Melissa R. Sipin*

This story was originally published in Day One, a weekly literary journal dedicated to short fiction and poetry from emerging writers.

Sitting alone in generic military housing, Dolores tries to remember—the days of her elopement, the discovery of her new husband’s past affair, and what, exactly, is forcing her to stay. Her recollection is blurred, but she can recall her father’s poverty and his ironic blessing; the mysterious and terrible smell of the budget hotel room where she and her high school sweetheart had met the night before the wedding; the quaint courthouse where they’d taken their vows; and the bystanders’ obvious surprise at the couple’s cheerful youth. But a marriage license can’t erase the past, and a wedding ring can’t compensate for years of lies.

Chilling and fragmented, *Dead Girl in the Bed* is a story that lingers like the odor of decay.
