Do today's teenagers lack commitment, dedication, and loyalty? We don't think so, but we do recognize the importance of effectively modeling commitment to early adolescents. The best way to grow in character is to observe others who excel in that area, and when it comes to commitment, God is the ultimate role model.

This 12-lesson edition of Grapple Jr. High will help teenagers discover the depth of God's devotion to us. Despite our flaws and imperfections, God remains faithful and committed.

Using the three series in this volume, you'll guide students through conversations built on several important truths:

- God's commitment will remain strong even in the End Times
- Jesus is committed to forgiving sins and giving second chances
- Teenagers can pursue commitment to their families

Along the way, your teenagers will grapple with such topics as what the End Times will be like, how sin creates separation from God, why Jesus is cool, why it's both important and beneficial to obey parents, and how to survive unfair family situations.

Help students get on a right, health path toward maturity that is displayed through Jesus-centered faithfulness and commitment!
