La Pasión del Señor : Aspectos médicos y psicológicos (Spanish Edition) Dr. Jorge Fuentes Aguirre

La Pasión del Señor, aspectos médicos y psicológicos”, viene a llenar un vacío en la literatura actual.

Estamos ante un libro de excepción que revela conceptos, hasta ahora inéditos, de los padecimientos orgánicos y emocionales ocurridos a Jesucristo en la crudeza humana de su pasión y muerte, expuestos con fidedignas evidencias, fruto de exhaustivas investigaciones clínicas, psicológicas, jurídicas y doctrinales, apegadas a los cuatro Evangelios. Esta obra es única en su género. Sus páginas, escritas en lenguaje sencillo, accesible al público, penetran en lo profundo de toda persona que tenga un afán sincero de conocer a nuestro Señor en su entraña íntima durante el trance de sus padecimientos, desde el inicio hasta su muerte en la cruz, culminada con nuestra Redención.

Dr. Roberto Espinoza Ríos. Sociedad Internacional de Medicina Humanista.

El autor, médico cirujano reconstructivo, cumplió en el 2011, cincuenta años de ejercicio profesional.

Escritor, catedrático y conferencista, tiene nueve libros publicados sobre la influencia del humanismo, la fe y la oración en la medicina.

Es considerado en el país como precursor en la introducción de un sistema de atención clínica, humanística y espiritual, que ha renovado la práctica médica moderna en beneficio de los enfermos.
