Evidence of Murder (Theresa MacLean series Book 2) Lisa Black

Lisa Black, a former forensic scientist whose electrifying thrillers bear the indelible mark of authenticity, brings us *Evidence of Murder*—a riveting tale of crime and detection sure to enthrall fans of Patricia Cornwell and TV's *C.S.I.* *New York Times* bestselling author Tess Gerritsen calls Black's new novel, "another tense and unputdownable thriller. She is, quite simply, one of the best storytellers around." *Evidence of Murder* delivers that and more—as returning heroine, forensic investigator Theresa MacLean, looks into the death of a young mother that may have terrifying consequences for an innocent child.
