Paradox Valley

Gerri Hill

Paradox Valley Gerri Hill

Was it an earthquake? A meteor? Or something else entirely?

Running from a marriage proposal in Seattle, Dana Ingram returns to her parents' farm in Western Colorado for a two-week vacation in Paradox Valley. Only a couple of days into it, however, a small earthquake leaves them without power. Cars won't start, batteries don't work and cell phones are useless.

When a Black Hawk helicopter vanishes off of radar, Captain Corey Conaway is sent in to locate it and its crew—all while keeping the disappearance out of the media. When she meets Dana and her cousin, Butch, Corey solicits their help in the search. But as they travel on horseback through the rugged and remote Paradox Valley, what they stumble upon soon has them running for their lives.

From reader reviews:

Fabiola Gaylor:

In this 21st millennium, people become competitive in each and every way. By being competitive today, people have to do something to make these individuals survive, being in the middle of often the crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. That's why, by reading a publication your ability to survive boost then having chance to remain than other is high. For you personally who want to start reading a book, we give you this particular Paradox Valley book as beginner and daily reading book. Why, because this book is greater than just a book.

Mildred McConkey:

Nowadays reading books become more and more than want or need but also get a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want get more knowledge just go with knowledge books but if you want feel happy read one along with theme for entertaining including comic or novel. The actual Paradox Valley is kind of guide which is giving the reader unforeseen experience.

Duane Harden:

The particular book Paradox Valley will bring you to the new experience of reading some sort of book. The author style to clarify the idea is very unique. In case you try to find new book to see, this book very appropriate to you. The book Paradox Valley is much recommended to you to see. You can also get the e-book in the official web site, so you can quicker to read the book.

Nicholas Williams:

The reason? Because this Paradox Valley is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So, it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking approach. So, still want to hold up having that book? If I ended up you I will go to the publication store hurriedly.
