Scopri i segreti di 40 carriere di Successo - volume II: 2 (Job oriented) (Italian Edition) Alessandro di Terlizzi

Il secondo volume di “Scopri i segreti di 40 carriere di successo” presenta gli aspetti più nascosti e quelli più esaltanti delle professioni della Moto Gp, del fitness, del no profit, degli scambi internazionali, della criminologia, del creative writing, dell’editoria, del giornalismo, dell’archeologo, del meteorologo, delle accademie militari, della polizia, di pilota d’aereo, della formula 1, della polizia, del detective. Sotto la lente ci sono percorsi di formazioni e opportunità da cogliere, senza alcuna reticenza. Una vera radiografia in cui vengono messi in evidenza strutture eccellenti e apparati che avrebbero bisogno di curare i propri acciacchi. Come il primo, anche il secondo volume orienta i giovani a una scelta consapevole e stimola i meno giovani, quelli che hanno già esperienza e non sono soddisfatti, a tentare nuove strade. Negli anni Sessanta del secolo scorso, si sognava di diventare astronauti, negli anni Ottanta medici chirurghi per operare a cuore aperto (Barnard docet), nei Novanta tutti iscritti a legge per combattere la corruzione di Mani pulite. La scelta di una professione non può e non deve essere dettata dalle mode. È una decisione che ha bisogno di abbinare aspirazioni a un sano pragmatismo, senza rinunciare alle une in favore dell’altro.
