The Associate Pastor: Second Chair, Not Second Best Martin E. Hawkins, Kelli Sallman

Like the second-chair position in an orchestra, a well-prepared associate pastor complements and harmonizes with the senior pastor's ministry to create an exquisite symphony. Yet more often than not, we consider the position of "second fiddle" second rate. How long will we let the growing number of assistant and associate pastors struggle to recognize their significance within the church? Martin Hawkins feels he is fulfilling his calling by faithfully serving in the role of associate pastor, and this book affirms the role of the assistant pastor as a God-honoring ministry worthy of a calling and lifetime of service.
