Virgin

Radhika Sanghani

Virgin Radhika Sanghani

For those who grew up on Judy Blume—and graduated to Lena Dunham—a “hilarious”* debut...

“Bridget Jones and Carrie Bradshaw, meet your wisecracking, vagina obsessed match. Sanghani’s debut is a hilarious, irreverent look at smart-alecky, painfully self-conscious, 21-year-old Ellie’s relentless mission to rectify a disasterous first attempt at performing oral sex, get deflowered, find the perfect Brazilian wax, avoid her tradition-bound Greek mother’s nagging, graduate summa cum laude, be a writer, and fit in...This story for millennials is a wonderful blend of modern angst with old-fashioned sweetness.” - *Publishers Weekly* (starred review)

“Even *Bridget Jones’s Diary* could take a page from this novel.”—*Joan Rivers

Okay, I admit it...I didn’t do it.

Yet.

This is normal, right? I mean, just because everyone I know has talked like they’ve already done it doesn’t mean that they’re telling the truth...right?

It’s not like I’m asking for that much. I don’t need the perfect guy. I don’t need candlelight or roses.

Honestly, I don’t even need a real bed.

The guys I know complain that girls are always looking for Mr. Right—do I have to wear a sign that says I’m only looking for Mr. Right Now?

Soooooo...anyone out there want sex? Anyone? Hello? Just for fun?

I am not going to die a virgin. One way or another I am going to make this happen.

Hey, what have I got to lose? Besides the obvious.
