A world-renowned authority on the history, uses, and power of dreaming, Robert Moss guides neophyte and experienced adventurers alike to open their own dreamgates. Through these gates await otherwise inaccessible realms of reality as well as soul remembering — the “recovering of knowledge that belonged to us before we came into this life experience.” Exercises, meditations, and the mesmerizing tales of fellow dream travelers outline Moss’s Active Dreaming technique, a kind of shamanic soul-flight that offers “frequent flyers” a passport between worlds. In this world beyond physical reality, Moss points to wellsprings of healing, creativity, and insight. As readers move into these different ways of seeing and knowing, they may also communicate with spiritual guides and departed loved ones in ways that transform their everyday lives.
