Five Miles South of Peculiar: A Novel Angela Hunt

Three sisters with opposing temperaments have a fiery reunion at the family estate in an unexpected journey of the heart in the latest novel from bestselling author Angela Hunt.

If these three sisters don't change direction, they'll end up where they're going.

Darlene Caldwell has spent a lifetime tending Sycamores, an estate located five miles south of a small town called Peculiar. She raised a family in the spacious home that was her grandfather's legacy, and she enjoys being a pillar of the community. Sycamores is the kingdom where she reigns as queen . . . until her limelight-stealing twin sister unexpectedly returns.

Carlene Caldwell, veteran of the Broadway stage, is devastated when she realizes that an unsuccessful throat surgery has spelled the end of her musical career. Searching for a new purpose in life, she retreats to Sycamores, her childhood home. She may not be able to sing, but she hopes to use her knowledge and experience to fashion a new life in Peculiar, the little town she left behind.

Haunted by a tragic romance, Magnolia Caldwell is the youngest of the Caldwell girls. Nolie has never wanted to live anywhere but Sycamores. She spends her days caring for her dogs and the magnificent gardens she's created on the estate, but when she meets a man haunted by his own tragedy, she must find the courage to either deny her heart or cut the apron strings that tie her to a dear and familiar place.

Can these sisters discover who they are meant to be when life takes an unforeseen detour? In a season of destiny, three unique women reunite and take unexpected journeys of the heart.
