From Model Codes to the Ibc: A Transitional Guide Rolf Jensen

Now available! A time-saving resource for architects, engineers, building officials and authorities having jurisdiction, contractors, manufacturers, building owners, and facility managers.

This unique book brings you user-friendly guidance on the International Building Code--and shows how its requirements differ, section by section, from the BOCA National Building Code, Uniform Building Code, Standard Building Code, NFPA 101 Life Safety Code, Fair Housing Act, and the Americans With Disabilities Act Accessibility Guidelines.

The Quick-Find Index lets you instantly identify the IBC equivalent to the model code sections you are familiar with.

The Code Comparison highlights the differences between model codes and the IBC--in an easy-to-read, side-by-side format.

The Code Commentary section points out issues to watch out for in making the transition to the new International Building Code.

With illustrations, abbreviations key, and an extensive Resources section. Includes Web updates on code revisions and interpretations from the book's own Internet site.
