Monterey Peninsula Impressions (Impressions (Farcountry Press))

photography by James Randklev

Monterey Peninsula Impressions (Impressions (Farcountry Press)) photography by James Randklev

One of the Sierra Club's most widely published photographers, James Randklev captures a vivid and varied portrait of the Monterey Peninsula, from the old-world charm of Carmel to the rocky beaches of the Big Sur coastline, from expansive Monterey Bay Aquarium to historic Cannery Row. Randklev uses a large-format camera to capture images of Point Lobos State Reserve, Pebble Beach, and Big Sur so powerful you can almost hear the waves pound the shores.
