## **Poker sem Segredo (Portuguese Edition) Jeferson Ferreira**

À primeira vista, o poker parece ser um jogo carregado de cores locais, mais precisamente, das cores estadunidenses. Ao tocar no assunto, é impossível não pensarmos em cowboys sujos e solitários que, em saloons esfumaçados, disputam a atenção de dançarinas de cabaré entre um trago e outro do pior whisky da casa. Para completar, como pano de fundo, a perspectiva de um duelo às doze badaladas... O poker não deve nos interessar apenas por suas características como jogo. Pode parecer estranho dizer isso, mas no poker faz parte do jogo uma série de ocorrências que, em qualquer outro jogo de azar, seria considerado elemento extra: a interação humana. De início, interação consigo mesmo, enquanto jogador: o poker nos leva ao auto-conhecimento. Depois, interação com os oponentes, já que é preciso analisá-los para entender suas jogadas.
