Ships from NC and is in stock. I always wrap my books well - no flimsy plastic envelopes! This is a second printing, 1983 hardcover, of the 1929 book. This book is a wonderful account of Roerich's travels from 1924-1928 through India, Mongolia and Tibet. The book looks like the image presented here. Two pages have small yellow highlight. Page 199 has an original printer's crease on the page. Otherwise this book is in very good condition. Dust jacket has minimal shelf wear. Pages are clean, and spine is tight.
