DECEMBER 1895, near the shoals of Nantucket. When an urgent need trumps a perilous passage, the fare is costlier than anyone imagined. Crew member Thomas Burton, stationed aboard the lightship Nautican, is no stranger to risk and loss. In the aftermath of a shipwreck, he plucks survivors from the wintry Atlantic waters, only to have them turn his world upside down. When calamity and evil follow the victims ashore, what's the man to do? PRESENT DAY, departing Phoenix. When a relocation annihilates plans and promises, and jeopardizes the future, all that remains is his faith. Dustin Turner braces himself for a miserable senior year at Heritage High, where the social misfit faces affluent teens who own heavy doses of attitude. When he realizes the student body is blind to the lies and deception loitering in the hallways, will Dustin shrink into the shadows or will he take a stand? When the tempest roars, where lies the safest course?
