Burning Bright: A Novel Tracy Chevalier

From the author of *At the Edge of the Orchard* comes a stirring eighteenth-century coming-of-age tale

Tracy Chevalier, author of the international bestseller *Girl With a Pearl Earring* and the forthcoming *At the Edge of the Orchard*, another brilliantly rendered historical tale set in the waning days of eighteenth-century London. Poet, artist, and printer William Blake works in obscurity as England is rocked by the shock waves of the French Revolution. Next door, the Kellaway family has just moved in, and country boy Jem Kellaway strikes up a tentative friendship with street-savvy Maggie Butterfield. As their stories intertwine with Blake's, the two children navigate the confusing and exhilarating path to adolescence, and inspire the poet to create the work that enshrined his genius.

From the Trade Paperback edition.
