NMS Review for USMLE Step 3 (National Medical Series for Independent Study) Mitchell H. Rosner

The thoroughly updated Third Edition of this popular and widely used review book offers interns and residents excellent preparation for the USMLE Step 3 or COMLEX-USA Level 3. The book presents approximately 900 USMLE-style questions followed by detailed answers and explanations.

Questions are organized into clinical encounter contexts, exposing readers to the wide variety of physician tasks and practice settings—office, hospital, emergency department, and satellite clinic—that are tested on the exam. The comprehensive coverage includes internal medicine, surgery, psychiatry, pediatrics, neurology, and obstetrics/gynecology.

This is the tablet version which does not include access to the supplemental content mentioned in the text.

From reader reviews:

Ruben Hardy:

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each book has different aim or perhaps goal; it means that publication has different type. Some people sense enjoy to spend their the perfect time to read a book. These are reading whatever they get because their hobby will be reading a book. Consider the person who don't like studying a book? Sometime, particular person feel need book once they found difficult problem or perhaps exercise. Well, probably you will require this NMS Review for USMLE Step 3 (National Medical Series for Independent Study).

Amado Spieker:

Reading a guide can be one of a lot of action that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new information. When you read a guide you will get new information simply because book is one of several ways to share the information or maybe their idea. Second, examining a book will make a person more imaginative. When you looking at a book especially fictional works book the author will bring someone to imagine the story how the personas do it anything. Third, you are able to share your knowledge to other people. When you read this NMS Review for USMLE Step 3 (National Medical Series for Independent Study), you can tells your family, friends along with soon about yours guide. Your knowledge can inspire the others, make them reading a book.

Robert Thomas:

Spent a free a chance to be fun activity to try and do! A lot of people spent their free time with their family, or their friends. Usually they doing activity like watching television, going to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Could be reading a book could be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to try look for book, may be the book untitled NMS Review for USMLE Step 3 (National Medical Series for Independent Study) can be great book to read. May be it is usually best activity to you.

Crystal Thomas:

Your reading sixth sense will not betray an individual, why because this NMS Review for USMLE Step 3 (National Medical Series for Independent Study) e-book written by well-known writer who really knows well how to make book that could be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and creating skill only for eliminate your personal hunger then you still uncertainty NMS Review for USMLE Step 3 (National Medical Series for Independent Study) as good book not simply by the cover but also with the content. This is one reserve that can break don't assess book by its

cover, so do you still needing one more sixth sense to pick that!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.
