Covering the legendary Lofoten and Dieppe raids, the D-Day landings and the capture of Flushing, James Dunning recounts the history of No 4 Commando, an elite wartime special service unit, from formation in 1940 to disbandment five years later. The author, himself a 'Fighting Fourth' veteran, describes how 500 volunteers, despite initial problems, prejudices and frustrations, developed into one of the most feared fighting formations of the Second World War.
