**They Shoot Horses, Don't They? (Serpent's Tail Classics)** Horace McCoy

The Depression of the 1930s led people to desperate measures to survive. The marathon dance craze, which flourished at that time seemed a simple way for people to earn extra money dancing the hours away for cash, for weeks at a time. But the underside of that craze was filled with a competition and violence unknown to most ballrooms. A lurid tale of dancing and desperation: Horace McCoy's classic American novel captures the dark side of the 1930s.
