**Alphabet to Email: How Written English Evolved and Where It's Heading** NAOMI S. BARON

In *Alphabet to Email* Naomi Baron takes us on a fascinating and often entertaining journey through the history of the English language, showing how technology - especially email - is gradually stripping language of its formality.

Drawing together strands of thinking about writing, speech, pedagogy, technology, and globalization, Naomi Baron explores the ever-changing relationship between speech and writing and considers the implications of current language trends on the future of written English.

*Alphabet to Email* will appeal to anyone who is curious about how the English language has changed over the centuries and where it might be going.
